Sumeet Kumar Pradhan

Web Developer

✉ pradhansumeet2000@gmail.com   📞 +91-9078907272   in Linkedin   GitHub

A self-driven and meticulous recent MCA graduate with good problem solving skills and ability to perform well in a team. Constant learner and ability to adapt to new technologies. Looking forward to working in an organization where i can utilize and enhance my skills.

Projects

Omnifood - Eat Healthy | HTML, CSS, JavaScript   CODE
- Developed a modern, responsive, real world food delivery website landing page.
- Typography and design system with defined font sizes, colors, and spacing.
- Media queries for responsive design across various screen sizes.
- Sticky navigation, smooth scrolling, and modern design practices.
- Safari flexbox gap workaround implemented, dynamic current year display.

Hangman Game | HTML, CSS, JavaScript   CODE
- Developed a game inspired by Wordle which implements the DOM Manipulation concept of the JavaScript language and HTML .
- It also has the light and dark mode.
- Implements Poppins font, confetti animation on winning, and interactive UI elements for an engaging user experience.
- Features word options (fruits, animals, countries), canvas drawing for incorrect guesses, and audio effects for a complete gaming experience.

Weather web App | HTML, CSS, JavaScript   CODE
- Designed and developed a dynamic weather forecast web application that provides users with up-to-date weather information for their selected locations.
- Real-time weather updates using OpenWeather API .
